

KBA

Kentucky Bankers Association

The Kentucky Bankers Association provides Kentucky banks with a forum to exchange industry information, gain maximum representation at the state and federal levels of government; receive timely education, training and staff certification; and garner greater collective purchasing power.

Benefits of Membership in the Kentucky Bankers Association

Political Advocacy

KBPAC represents its members in matters pertaining to banking legislation within the state of Kentucky and in Washington, D.C. Your Association works hard to ensure that government officials at every level understand how legislative and regulatory initiatives will impact the Kentucky banking industry. KBPAC consistently works to foster ongoing government relationships that will help to ensure a robust banking industry within Kentucky. KBPAC's bipartisan state political action committee raises money to help elect candidates that believe in a robust Kentucky banking industry and a strong Kentucky economy.
